

Oasis Hong Kong Airlines Provisional Liquidation Update on Passengers and Crew

Hong Kong (April 11, 2008) To minimize the inconvenience to its passengers, Oasis Hong Kong Airlines, under the management of its Provisional Liquidators, has been working closely with several airlines to offer preferred fares for Oasis passengers on both the London and Vancouver routes.

A full list of cooperating airlines and hotels is available for Oasis passengers' easy reference on www.oasishongkong.com and details are updated on a regular basis as they become available.

This information is also available via travel agents.

Oasis appreciates the support of the cooperating airlines and apologizes for the inconvenience caused to current passengers.

In Hong Kong, the Oasis ground handler, Jardine Aviation Services has been assisting passengers arriving at the airport with alternative travel arrangements.

All Oasis flights remain cancelled until further notice.

Claims for Refund

Oasis customers may register their claims by submitting a Registration of Claims form to the Provisional Liquidators for unused portions of air tickets with confirmed bookings. This form can be downloaded at Oasis website at www.oasishongkong.com and should be faxed to the Provisional Liquidators at fax number +852 3628 9170.

Oasis Crew Members - Returning Home

Since the appointment of the Provisional Liquidators, Oasis Hong Kong Airlines has undertaken a range of measures to bring Hong Kong based crews home.

Thirty-four crew members arrived from London Gatwick Airport today, with a further 32 crew members arriving this evening from Vancouver. All possible measures are being taken to bring home those Oasis crew members still abroad.
